BRISTOL FIRE STATION — 1974

The long awaited dream of the Bristol Fire Department finally came true in 1974 with the erection of a new fire station on Lake street. The old "engine house" on South Main street, built in 1889, had served faithfully for 84 years in housing town fire apparatus. But its adequacy ran out as more modern and sophisticated fire-fighting equipment burst the old wooden building's seams.

Practicality, thorough planning, and hard work, combined together by the three fire commissioners and men of the fire company, produced a designed building said to cost only \$130,000 to be built. An estimated architectural cost was put at \$243,000. Armed with a 46% reduced building price for the project, the voters bought the plan at the 1974 town meeting. History tells the rest.

Within a month of voter approval and immediate financing by the selectmen through the Bristol Savings Bank, the three fire commissioners, Fred Morgan, Richard Ackerman and Kenneth Brown commenced supervision of the project. Commissioner Brown served as general contractor. Ground was broken and by October, the new building stood ready, all built for the promised \$130,000.

The firemen themselves lent considerable assistance in time, labor and equipment. Many a day, night or Sunday these men could be seen working to help keep the cost minimal. A true spirit of the so-called "old days."

Open house in November saw well over 800 persons from all around view the large brick and cement structure. Everyone marveled at how much was built for the money spent. There is no doubt but what this project will be a lasting tribute long remembered of our fire department and her dedicated men.

TOWN WARRANT**The State of New Hampshire**

To the Inhabitants of the Town of Bristol in the County of Grafton in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Bristol on Tuesday, the 4th day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

Polls will close at 6:00 P.M.

Action on the following Articles at 7:30 P.M.
Thursday, March Sixth, 1975.

2. To see if the Town will vote the sum of \$82,500 for the reconstruction of the Willow Street Bridge No. 097/069 as recommended by the State Department of Public Works and Highways (Total cost \$165,000 - State will pay $\frac{1}{2}$ or \$82,500) Funds to be raised by borrowing on the credit of the Town through the issuance of serial notes or bonds, said notes or bonds to be signed by the Selectmen, countersigned by the Treasurer and sealed with the Town Seal, and delegates to the Selectmen the discretion of fixing the date, maturities, denomination, interest or discount rate, the place of payment, the form and other details of said bonds or notes and providing for the sale thereof.

3. a. To see if the Town will vote to participate in a joint effort in the celebration of the Bicentennial Era with Alexandria, Bridgewater, Groton, Hebron, and New Hampton.

b. To see if the Town will vote to raise and appropriate the sum of \$2170.00 to defray one-half of the town's share (on a per capita basis) of the estimated cost of the celebration of the Bicentennial Era. Submitted by Petition.

4. To see if the Town will vote to rescind that part of

Article No. 6 in the March 7, 1972 Town Warrant authorizing the establishment of a Fire Department Reserve Fund by deleting that portion which read "Purpose of said fund is to create a reserve to aid in the growth and development of the Bristol Fire Department," and substitute in its place "Purpose of said fund is to create a reserve to aid in the purchase of new equipment."

5. To see if the Town will vote the sum of \$5000.00 for the purchase of 30 plectrons for the use of the Fire Department. (Not recommended by Budget Committee)

6. To see if the Town will vote to use the accumulated interest in the Proctor Capital Reserve Fund for improvements at the Town Beach if needed.

7. To see if the Town will appropriate the sum of \$4000.00 for rebuilding the drainage system and make any necessary improvements to Wicom Road. (Not recommended by Budget Committee)

8. To see if the Town will vote to appropriate the sum of \$25,000.00 for the purpose of extending the Sewer System to include the "Westwood Section". Said construction to be under the direction of the "Sewer Commissioners" - Funds to be raised by borrowing on the credit of the Town through the issuance of serial notes or bonds, said notes or bonds, to be signed by the Selectmen, countersigned by the Treasurer and sealed with the Town Seal, and delegates to the Selectmen the discretion of fixing the date, maturities, denomination, interest or discount rate, the place of payment, the form and other details of said bonds or notes and providing for the sale thereof.

9. To see if the Town will vote to create a Reserve Fund for the purpose of a tax map for the Town of Bristol. (Recommended by Budget Committee)

10. To see if the Town will raise and appropriate the sum of \$11,000.00 for the purchase of a tractor. (Not recommended by the Budget Committee)

11. To see if the Town will vote to authorize the withdrawal from the Revenue Sharing Fund established under the provision of the State and Local Assistance Act of 1972 for use as set-offs against budgeted appropriations for the following priority purposes and in amounts indicated or take any other action hereon:

<i>Appropriation</i>	<i>Amount</i>
Police Cruiser	\$ 3300.00
Paving	15300.00
McDow Culvert	2500.00
Railing	700.00
Tax Map	8600.00
	<hr/>
	\$30400.00

12. To see if the Town will vote to accept the budget as submitted by the Budget Committee and raise and appropriate the sums set forth therein to be raised by taxation.

13. To see if the Town will vote to authorize the Selectmen to apply for and receive any grants and/or financial aid from State and/or Federal sources in the event of any disaster, providing the Town is eligible to receive the same.

14. To see if the Town will vote to create in the Town of Bristol a recreation and park commission, which shall be known as the Bristol Leisure Services Commission, the members of which shall be appointed by the Board of Selectmen, pursuant to the Authority of New Hampshire Revised Statutes Annotated 31:44 through 31:50A.

The commission shall be charged with the control, development, management operation and maintenance of a system of public parks, forests, recreational areas and facili-

ties. It shall have the power to expend for such purposes any funds appropriated by the Town of Bristol for such purposes and any funds donated or bequeathed to said town or to the commission for such purposes by other towns or by private individuals or organizations, provided, however, that the presently existing Kelley Park Fund and the Corinne F. Bennett Fund shall always be kept separate and apart from all other funds administered by the commission, and in order to comply with the conditions of the wills of the late William G. Kelley and the late Corinne F. Bennett shall be used only for the maintenance and improvement of Kelley Park and have no other purposes whatsoever.

The commission shall have the power to negotiate and execute leases or other contracts, and may solicit and receive gifts or bequests of money or personal property, the principal or income from which is to be used for recreation and/or park purposes.

The commission shall have the power to employ a director of Leisure Services who shall be properly qualified by education and experience in recreation and/or park work and such other personnel as the director and commission shall determine proper. The salaries of all personnel shall be fixed by the commission with the advice and consent of the Board of Selectmen.

The commission may make all contracts to carry out the objectives and purposes of the commission and shall have such other powers and perform such other duties as may be necessary for the proper administration of the affairs of the commission.

All votes, ordinances, resolutions or parts, thereof in conflict with the provisions of this article, including the vote at the Bristol Town Meeting in November 1904, creating the Kelley Park Commission and the vote at the Bristol Town Meeting in 1967 creating the Town Beach Committee, are hereby repealed.

15. To see if the Town will vote to designate Peaked Hill

Road from the junction of Route 104 east to the junction of River Road as scenic under the provisions of RSA 253:17 and 18, for the purposes of protecting and enhancing the scenic beauty of Bristol and further, that the Selectmen of said Bristol shall, regarding such roads designated as scenic, file appropriate requests for suspension of specifications when making application to the Commissioner of Public Works and Highways for Town Road Aid Funds under RSA 241:7(I).

16. Ordinance Relating to the Licensing of Pinball Machines:

a. The Board of Selectmen as they deem reasonable and proper may issue a license to any person to keep one or more pinball machines, so called, or any mechanical game of skill or chance in the Town of Bristol for which a fee is charged, or the operation of which required the insertion of a coin or token in such machine or mechanical game, for hire, gain or reward, or in connection with his place of business (RSA 31:41 and 42). Such license may be revoked for just cause.

b. All licenses granted under the preceding section shall be valid from January 1 through December 31 of the year in which they were issued, unless sooner revoked. All licenses granted previous to the passage of this ordinance shall be valid until December 31.

c. The annual license fee for each pinball machine or mechanical game of skill or chance shall be one dollar (\$1.00) and said license shall be affixed in a prominent place on the machine so licensed.

d. Any person who shall keep any such pinball machine or mechanical game of skill or chance for hire, gain or reward, or in connection with his place of business, without first having procured a license therefor shall be fined not more than one hundred dollars (\$100.00) for such pinball machine or mechanical game of skill or chance so kept.

17. To take the sense of the qualified voters to approve of having two sessions for the annual Town Meeting in this

town, the first session for choice of Town officers elected by an official ballot and the second session, on a date set by the Selectmen, for transaction of other business.

18. To see if the Town will vote to accept the Federal Flood Insurance Program (National Flood Insurance Act of 1968 as amended) and empower the Planning Board with overall responsibility, authority and means to implement all commitments of the act so far as its flood prone areas of Bristol are concerned and act upon the following subjects in regard to flood prone areas.

a. Assures the Federal Insurance Administration that it intends to enact and maintain in force for those areas having defined flood hazards, adequate land use and control measures with effective enforcement provisions consistent with the Criteria set forth in Section 1910 of the National Flood Insurance Program Regulations.

b. Establish a building permit and inspection system to control building within flood prone areas.

19. To see if the Town will vote to authorize the Selectmen to apply monies received from the Farmer's Home Administration Sewer Construction Account to apply against sewer study extension cost.

20. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

21. To see if the Town will vote to authorize the Selectmen to sell tax acquired property.

22. Resolution approving application of the provisions of Chapter 204-A of the New Hampshire Revised Statutes Annotated and the provisions of Section 8 of the U.S. Housing Act of 1937, as amended.

Whereas, that there continues to exist within the state a serious shortage of safe and sanitary dwelling ac-

accommodations at rents which elderly and low income persons can afford, and that such persons are forced to occupy sub-standard dwelling accommodations; and

Whereas, the General Court of the State of New Hampshire has enacted Chapter 204-A of the New Hampshire Revised Statutes Annotated establishing the New Hampshire Housing Commission; and

Whereas, Section 9 of that Act provides that in a municipality where there is no local housing authority operating, the Commission shall not operate without the consent of the governing body of a municipality; and

Whereas, said Section 9 provides that consent of the governing body must be given for each project; and

Whereas, under the provisions of Section 8 of the U.S. Housing Act of 1937, as amended, the United States of America, acting through the Secretary of Housing and Urban Development, is authorized to enter into annual contributions contracts with public housing agencies pursuant to which such agencies may enter into contracts to make assistance payments to owners;

Now, therefore, be it resolved by the 1. Board of Selectmen of the 2. Town of Bristol, Grafton County, N.H. as follows:

That the New Hampshire Housing Commission be and is authorized to operate in 2. Town of Bristol, Grafton County, N.H.

That said New Hampshire Housing Commission is authorized to sponsor a project, under Section 8 of the U.S. Housing Act of 1937, as amended, for any of the following dwelling accommodations or a combination thereof: (a) existing standard housing; (b) rehabilitated housing; (c)

newly constructed housing; the total amount of the foregoing not to exceed 75 dwelling units.

23. To transact any other business which may legally come before said meeting.

Given under our hands and seal, this 12th day of February, in the year of our Lord nineteen hundred and seventy-five.

SELECTMEN'S REPORT

One of the main topics of 1974 has been the recent reappraisal of property by the State of New Hampshire, Department of Revenue Administration. This has all been completed together with the public hearings required when a complete reappraisal has been accomplished. Adjustments in evaluation, where found to be in error as a result of the hearing, will be completed in the near future and the property owners notified. We must all keep in mind that the cost of town, school and county government is directly related to each property owner and the only way in which the cost can be split up is by a fair and equitable evaluation of property within our town.

Property owners with more than 10 acres of land who desire to take advantage of the "Land Use Law" are reminded that they must file for this exemption each year.

The bridge between Bristol and New Hampton had considerable work done on the Bristol abutment this year. As a result of a more recent inspection by the State Bridge Engineers, additional work must be done on the supporting steel beams. This bridge has been closed to all but passenger vehicles only and will remain so until proper repairs are made. Money has been requested in the budget for the necessary repairs and it is hoped this work will be completed early this spring.

The Willow Street Bridge is also closed to all but passenger vehicle traffic and there is an item in the Warrant to discuss this situation.

This past year by vote of the Town a new Fire Station was approved and constructed. This building certainly is an asset to our town. It was built within the monies approved by the Fire Commissioners acting as their own general contractors. They were able to save considerable money for the town. The Fire Commissioners and the entire Fire Company is to be congratulated for a job well done.

Federal revenue sharing funds were again used this past

year on our highway program and it is hoped to again allocate a portion of these funds next year to further improve our streets.

There are some items in the warrant which require considerable study by all Bristol voters – you are requested to study these and ask questions of your Selectmen and the Department heads involved.

The Budget Committee, as in the past, is to be congratulated for its job of preparing and presenting a budget for your consideration. The Budget Committee has proved of great assistance to the Selectmen.

Burton W. Williams, Chairman
George S. King
Charles E. Greenwood

STATE AUDIT

State of New Hampshire
Department of Revenue Administration
Concord, 03301

October 18, 1974

Certificate of Audit

This is to certify that we have examined and audited the accounts and records of the Town of Bristol for the fiscal years ended December 31, 1972 and December 31, 1973.

Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances, except that we did not verify the amount of inventory of either the Water Works or the Sewer Departments.

In our opinion, subject to the comments regarding the Water Works and Sewer Departments which were made in the Summary of Findings and Recommendations contained in this report, the accompanying balance sheets and statements of sources of revenues and expenditures present fairly the financial position of the Town of Bristol at December 31, 1972 and December 31, 1973, and the results of its operations for the years then ended, in conformity with generally accepted accounting principles applicable to governmental entities, applied on a basis consistent with that of the preceding fiscal year.

Respectfully submitted,

FREDERICK E. LAPLANTE, Director
Division of Municipal Accounting
Department of Revenue Administration

SUMMARY OF FINDINGS & RECOMMENDATIONS

Board of Selectmen

Bristol, New Hampshire 03222

Gentlemen :

Submitted herewith is the report of an examination and audit of the accounts of the Town of Bristol for the fiscal years ended December 31, 1972 and December 31, 1973 which was made by this Division in accordance with the vote of the Town.

One of the enclosed audit reports must be given to the Town Clerk for retention as part of the permanent Town records.

Scope of Audit

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Water Works, Sewer Commission, Minot-Sleeper Library, Kelley Park Commission, Road Agent, Municipal Court and Trustees of Trust Funds.

Financial Information

General Fund:

Comparative Balance Sheets: (Exhibits 1 and 29)

Comparative Balance Sheets which disclose the financial condition of the General Fund as of December 31, 1971-1972 and December 31, 1972-1973 are presented in Exhibits 1 and 29. As indicated therein, the Current Surplus of the Town increased by \$21,992 in 1972 and \$33,645 in 1973.

Analysis of Change in Current Financial Condition:

(Exhibits 2 and 30)

Statements presenting an analysis of the factors which caused the change in current financial condition of the Town during the fiscal years ended December 31, 1972 and Decem-

ber 31, 1973 are presented in Exhibits 2 and 30, respectively.

The factors which caused the increase of \$21,992 in

Current Surplus in 1972 were as follows:

Increase in Current Surplus:

Net Budget Surplus	\$22,619
--------------------	----------

Decreases in Current Surplus:

Tax Liens Transferred to Tax Deeds	\$507
------------------------------------	-------

Tax Collector's Excess Debits	120
-------------------------------	-----

	<u>627</u>
--	------------

<i>Net Increase in Current Surplus</i>	<u><u>\$21,992</u></u>
--	------------------------

The factors enumerated hereafter caused the increase of \$33,645 in Current Surplus during 1973:

Increases in Current Surplus:

Net Budget Surplus	\$40,235
--------------------	----------

Decrease in Accts Payable	235
---------------------------	-----

Tax Collector's Excess Cr.	127
----------------------------	-----

	<u>\$40,597</u>
--	-----------------

Decrease in Current Revenue:

Surplus Used to Reduce Taxes	6,952
------------------------------	-------

<i>Net Increase in Current Surplus</i>	<u><u>\$33,645</u></u>
--	------------------------

Comparative Statements of Appropriations & Expenditures - Estimated & Actual Revenues: (Exhibits 3 and 4; 31 and 32)

Comparative statements of general fund appropriations and expenditures, estimated and actual revenues for the fiscal years ended December 31, 1972 and December 31, 1973, are presented in Exhibits 3 and 4, 31 and 32.

As indicated in Exhibit 4, a revenue surplus of \$9,867, plus a net unexpended balance of appropriations of \$12,752, resulted in a net budget surplus of \$22,619 in 1972. In 1973, as disclosed by Exhibit 32, a revenue surplus of \$33,347, plus a net unexpended balance of appropriations of \$6,888, resulted in a net budget surplus of \$40,235.

*Capital Projects Funds:**Comparative Balance Sheets:* (Exhibits 5 and 33)

Comparative Balance Sheets showing the financial condition of the Capital Projects fund as of December 31, 1971-1972 and December 31, 1972-1973 are presented in Exhibits 5 and 33.

*Enterprise Funds:**Water Works:* (Exhibits 6 and 7; 34 and 35)

Comparative Balance Sheets of the Water Works as of December 31, 1971-1972 and December 31, 1972-1973 are presented in Exhibits 6 and 34. Statements of revenue and expense which disclose the results of operations for the fiscal years ended December 31, 1972 and December 31, 1973 are disclosed in Exhibits 7 and 35.

Sewer Department: (Exhibits 8 and 9; 36 and 37)

Comparative Balance Sheets showing the financial condition of the Sewer Department as of December 31, 1971-1972 and December 31, 1972-1973 are presented in Exhibits 8 and 36. Exhibits 9 and 37 contain statements of revenue and expense for the fiscal years ending December 31, 1972 and December 31, 1973.

*Long Term Indebtedness:**Comparative Balance Sheets:* (Exhibits 10 and 38)

Comparative Balance Sheets of the outstanding long term indebtedness of the Town as of December 31, 1972 and December 31, 1973 are shown in Exhibits 10 and 38. As indicated therein, the long term debt of the Town decreased by \$16,000 in 1972. During 1973, matured sewer bonds of \$15,000 were paid and \$75,000 of long term notes were issued pursuant to the provisions of RSA 33:7b, resulting in net increase of \$60,000 in long term indebtedness.

Statements of Debt Service Requirements: (Exhibits 11 and 39)

Statements of debt service requirements as of December 31, 1972 and December 31, 1973 showing annual maturities.

of principal and interest are contained in Exhibits 11 and 39.

Treasurer

General Fund:

Classified Statements of Receipts & Expenditures: (Exhibits 12 and 40)

Classified statements of General fund receipts and expenditures for the fiscal years ended December 31, 1972 and December 31, 1973, made up in accordance with the uniform classification of accounts, are included in Exhibits 12 and 40.

Capital Projects Funds:

Sewer Construction Fund - F.H.A. Account (Exhibits 13 and 33)

Sewer Construction Fund - E.P.A. Account (Exhibit 14)

Statements of cash receipts and expenditures of the F.H.A. and E.P.A. Sewer Construction accounts for the fiscal years ended December 31, 1972 and December 31, 1973 are contained in Exhibits 13, 14 and 33.

Enterprise Funds:

Water Works - Classified Statement of Receipts & Expenditures (Exhibits 15 and 42)

Sewer Commission - Classified Statement of Receipts & Expenditures (Exhibits 16 and 43)

Statements which disclose cash transactions in the accounts of the Water Works and Sewer Commission are included in Exhibits 15, 16, 42 and 43.

Revenue Sharing Fund:

Statement of Revenue, Expenditures, Encumbrances and Fund Balance (Available Funds): (Exhibit 54)

Exhibit 54 shows a statement of Revenue, Expenditures, Encumbrances and Fund Balance of the Revenue Sharing Fund for the fiscal year ended December 31, 1973. As indicated therein, there was an unappropriated Fund Balance of \$8,184 at January 1, 1973. Revenue Sharing entitlements in the amount of \$22,525 were received during 1973; interest

on investments of Revenue Sharing monies totaled \$196. Expenditures in the form of entitlements approved as offsets against 1973 general fund appropriations amounted to \$30,475. At December 31, 1973 there remained an unexpended fund balance of \$430.

Federal Flood Disaster Aid Fund:

Statement of Receipts & Expenditures: (Exhibit 55)

This fund is used to account for all resources derived from Federal Flood Disaster Aid Grants. As disclosed in Exhibit 55, receipts during 1973 amounted to \$135,737. These consisted of \$75,000 derived from the sale of notes issued in anticipation of the receipts of the balance of an anticipated Federal Flood Disaster Aid Grant and a prepayment of \$60,737 by the U.S. Government towards said Federal Flood Disaster Aid Grant. Expenditures made to repair flood damage incurred during the year totaled \$105,498. The unexpended fund balance at December 31, 1973 was \$30,239.

Audit Procedure

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

Verification of uncollected and unredeemed taxes was made by mailing notices to delinquent taxpayers as indicated by the Tax Collector's records. Consequently, the amounts of uncollected and unredeemed taxes as indicated in this report are subject to any changes which may be necessitated by the return of verification notices.

GENERAL COMMENTS & RECOMMENDATIONS

F.H.A. Sewer Construction Fund:

As indicated in Exhibits 33 and 41, the cash balance in

the F.H.A. Sewer Construction Fund at January 1, 1973 totaled \$10,092. At that date, however, the sum of \$6,332 was due to the General Fund on account of unreimbursed sewer construction expenditures made from the latter fund during 1972. Thus, the net unexpended appropriation balance and unappropriated surplus in this sewer construction fund at January 1, 1973 amounted to only \$3,760.

With respect to any unencumbered cash on hand in the F.H.A. Sewer Construction Fund, it must be recognized that such funds represent unexpended bond proceeds. Accordingly, the provisions of RSA 33:3-a require a vote of two-thirds of the voters present and voting at an annual meeting to duly authorize the use of such monies for another purpose for which bonds or long term notes may be issued.

It is noted that in connection with Article 5 of the 1973 town warrant, the Town Meeting voted to authorize an appropriation of \$10,000 from the F.H.A. Sewer Construction Fund, which was referred to as the "present Sewer Capital Reserve Fund," for the purpose of defraying a portion of the cost of \$30,000 voted for a preliminary study of a sewage collection facility extending from the end of the present system to and including the Newfound Lake area.

There is no indication that the two-thirds vote required for the aforesaid reallocation of unexpended bond proceeds was obtained. Furthermore, as explained previously, there was only \$3,760 available for such reallocation as of January 1, 1973.

In view of these factors, it is the opinion of this Division that the vote of the 1973 Town Meeting regarding the disposition of the unexpended funds in the F.H.A. Sewer Construction Fund was invalid. Consequently, the Exhibits included in this report pertaining to the F.H.A. Sewer Construction Fund have been prepared accordingly.

It is recommended that appropriate steps be taken to obtain proper approval from the next town meeting for the reallocation of the unencumbered and available funds in the F.H.A. Sewer Construction Fund.

Water Works and Sewer Department:

During 1973, the general ledger records of the Water Works and the Sewer Department were not adequately maintained in that there were no entries made therein from the departmental cash journals, nor were necessary adjusting and closing entries prepared and recorded.

In addition, a physical count of inventories of material and supplies on hand was not taken in either of these agencies at December 31, 1972 or December 31, 1973.

Because of the material effect of the latter omissions, which are at variance with generally accepted accounting principles applicable to Enterprise Funds, we are unable to express an opinion on the accompanying financial statements of the Water Works and Sewer Department.

We recommend (1) that the general ledger accounts for both the Water Works and the Sewer Department be posted and reconciled to date on a monthly basis; (2) that necessary adjusting and closing entries be effected as required during the course of the year; (3) that a physical count of inventories in each department be taken at the end of each fiscal year and the values thereof be properly reflected to the accounts.

Sewer Department:

Incompatible Functions Assigned To Tax Collector:

During the course of the examination of the Sewer Department accounts, it came to our attention that the task of computing sewer rent charges is performed by the Tax Collector without further review by the Sewer Commissioners. This function is incompatible with the statutory duties of the Tax Collector. In addition, the aforesaid procedure is contrary to generally accepted business practices in that it does not provide for a proper segregation of duties regarding the billing, collecting and recording of revenues from this source.

Warrants for Sewer Rents Do Not Conform To Statutory Provisions of RSA 252:13:

Under current practice, sewer rents are assessed on a quarterly basis. However, only one warrant is issued annual-

ly to the Tax Collector for the aggregate sum of the quarterly assessments made during the year. Furthermore, the Tax Collector is not given a list on a quarterly basis of the amounts assessed against each user during the period. Instead the individual sewer rents receivable ledger accounts serve as a substitute for such a list. At the end of each fiscal year, the Tax Collector determines the total charges recorded on the sewer rents ledgers during the fiscal year and prepares a warrant for the total thereof. The warrant is subsequently executed by the Sewer Commissioners.

The above described procedure does not comply with the provisions of RSA 252:13. This statute requires that each commitment of sewer rents shall be committed to the collector of taxes, with a warrant under the hands and seal of the Sewer Commissioners. Each commitment is to be accompanied with a list of rents assessed against each user, in the manner prescribed for the collection of other taxes committed to the Tax Collector.

To correct the conditions enumerated above, the following recommendations are made :

1. The task of computing quarterly sewer rent charges should be assigned to an employee other than the Tax Collector.
2. A sewer rents warrant supported with a list of charges levied against each user should be executed for each quarterly assessment in accordance with RSA 252:13.
3. Sewer rents collections should be posted by the Tax Collector to the sewer assessment lists accompanying each warrant.
4. Duplicate sewer rents receipts, which will serve as the basis for postings to the individual sewer rents receivable ledgers, should be forwarded by the Tax Collector to the employee assigned to recording entries therein. Preferably, the latter person should not be responsible for computing or recording charges as-

sessed in these records. This task, likewise, should not be performed by the Tax Collector.

Unbilled Sewer Rents:

In keeping with the accepted accounting principle that revenues should be recognized in the fiscal year during which they are earned, unbilled sewer rents at December thirty-first should be reflected as revenues of the fiscal year then ended. This report has been prepared on that basis.

Recording of Tax Payments in Warrants:

The Tax Collector's entries crediting tax payments in the various warrants committed to that official should reflect not only the day and month, but also the year in which payments were received.

Conclusion:

The provisions of Chapter 71-a, Section 21, of the Revised Statutes Annotated, require that the Auditors' summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town. Publication of the Exhibits contained in this audit report is optional at the discretion of the Board of Selectmen. This letter, however, must be published in its entirety.

We extend our thanks to the officials of the Town of Bristol for their assistance during the course of the audit.

Very truly yours,

FREDERICK E. LAPLANTE, Director
Division of Municipal Accounting
Department of Revenue Administration

TOWN CLERK - TAX COLLECTOR'S REPORT

It is interesting to see how Bristol reflects national trends, past and present. In these times of economic stress, history of the early 30's repeats itself as the number of marriages takes a decided jump from 23 in 1972, 21 in 1973 to 35 in 1974. Births remained within one or two of the past few years as did the ratio of deaths for the town. Property taxes are feeling the inflation along with everything else. The problems of the auto industry show up in another statistic. 115 fewer vehicles registered and of those registered fewer were new models.

Changes brought about by the reassessment have not changed Bristol tax payers' fine attitude toward their tax responsibilities. 85% of the 1974 property tax warrant was received by February 1, 1975.

The help and friendship of all the town officials in general and Jackie Crouse in particular has been greatly appreciated.

PATRICIA D. WADE
Town Clerk-Tax Collector

Trustees

MINOT-SLEEPER LIBRARY

Report of the Board of Trustees

For the Year 1974

This year the circulation of both adult and junior books noticeably increased especially in the junior division to meet our patrons' requests and provide a selection of recently published books, the trustees purchased 203 adult books and 41 junior books. To supplement the current purchases, the New Hampshire State Library makes it possible for our librarian to select and borrow additional books each quarter from the Bookmobile. Also a patron may secure a state-wide library card to enable him to borrow books from other libraries in the state.

The circulation of books for the year is as follows:

Adult Fiction	6,039
Adult Nonfiction	1,900
Junior Fiction	2,234
Junior Nonfiction	537
Bookmobile	700
Magazines	1,662
Records	22
State Library Books	14

Twenty-one gift books and one Memorial book were valuable additions and were greatly appreciated.

To provide better protection, an automatic night light and three fire extinguishers were purchased and installed.

To meet all minimum qualifications recommended for Affiliated Libraries, the trustees purchased and installed an electric hot water heater.

In March in order to buy books more economically, the trustees voted to join a purchasing cooperative composed of eight member libraries with the Franklin Public Library acting as the clearing house. The year's trial period to date seems to have been beneficial to all.

Each year we the trustees are grateful for the cheerful and faithful services of our librarians, Mrs. Myla Doran and Mrs. Carolyn Dickinson who so willingly answer inquiries,

secure requested books from the state library, continue inter-library cooperation, both school and public, encourage and expedite service to those especially who because of age, handicap or infirmity can not secure their reading material, and by suggestion and display try to stimulate and meet ever broader use of our library - our most desired objective.

RUTH WELLS, Chairman
Trustees of the Minot-Sleeper Library

BRISTOL FIRE DEPARTMENT REPORT

The Bristol Fire Department wishes to take this opportunity to summarize the fires and their activities of this past year, and it has been a real active year.

The department responded to 38 calls from Dec. 1, 1973 to Nov. 30, 1974. There was only 1 structural fire in town and this was not very serious, although it could have been. There were 5 chimney fires, 12 Mutual Aid or out of town calls, 5 car, truck or accident, 1 snowmobile, 4 brush, 1 flooded burner, 2 electrical, 4 false alarms and 3 miscellaneous.

This year around March 27th, ground was broken and work on the new fire station started. Work went along smoothly under the direction and supervision of the fire commissioners. Then on October 15th we moved the trucks and equipment into the station. On November 17th we held an Open House for the people of Bristol and the surrounding towns to visit and inspect what had been accomplished. It was really quite a day as between 800 and 1000 people were shown thru the building and everyone seemed real pleased with what had been constructed.

The Fire Commissioners also continued their inspection of the schools, stores, public buildings and gas stations. This is required by law and they also hope that it will benefit those concerned and also help prevent any major fire in town.

The fire company has continued with its training sessions and this past year, seven men attended the Lily Pond Fire School and seven men the Fitzwilliams Fire School. Different courses were taken by the men and a lot of information brought back to those who could not attend.

The men also donated a lot of their spare time to help in building a tire wall at the new station. They helped place the steel decking, dug ditches and a number of other odd jobs to help speed along the construction and keep the cost of the

new station down.

We are planning this next year to keep up our training program and if possible to have a State Instructor in to give classes also.

RAYMOND A. GREENWOOD, Clerk

Fire Commissioners of Bristol:

FREDERICK J. MORGAN

RICHARD G. ACKERMAN

KENNETH P. BROWN

**REPORT OF THE FOREST FIRE WARDEN
AND DISTRICT CHIEF**

All open burning when the ground is not covered with snow is controlled by the Town Forest Fire Warden in cooperation with the New Hampshire Forest Fire Service. Anyone wishing to kindle a fire out-of-doors when the ground is not covered with snow must have a written permit signed by the Town Forest Fire Warden. If the fire is to be kindled on land not owned by the person kindling the fire then he must have the permission of the land-owner. No outdoor fires can be kindled between 9 A. M. and 5 P. M. unless it is raining, without the additional approval of the District Forest Fire Chief.

The 1974 forest fire season was one of the worst in the past two decades. Woodlands in central and southern New Hampshire became so dry in mid August that the Governor and Council, upon the recommendation of the State Forester, enacted a partial woodlands closure in Sullivan, Cheshire, Hillsborough, Merrimack and Belknap Counties and a complete woodlands closure in Strafford and Rockingham Counties plus the Towns of Barnstead, Gilmanston and Alton in Belknap County. Through the excellent cooperation of the citizens of our State no major forest fire occurred at any time during the year.

NEWFOUND AREA NURSING ASSOCIATION

The Newfound Area Nursing Association continues to extend skilled nursing care and physical therapy treatments to the residents of Bristol, New Hampton, Bridgewater and Alexandria. In 1974 the total number of nursing visits made by the nursing staff was 1678 and 103 were made by the physical therapist.

During the past year NANA was involved with the community bloodmobile drives in March and August. Also in August we participated in a Blood Pressure Clinic that was sponsored by the local Ambulance Association and Community Services.

The NANA staff has participated in various workshops throughout the year as continuing education relating to such health areas as pre-natal care, pediatrics and care of the aged. Through different surveys NANA has met all requirements stipulated by Medicare and New Hampshire Department of Health and Welfare.

BRISTOL PLANNING BOARD - 1974

During 1974, the Planning Board held 11 regular monthly meetings and 3 special meetings. The Board held a final hearing and approved one subdivision and signed 8 subdivision plans as not under the jurisdiction of the Planning Board. Four inspections of private roads were conducted to determine recommendations to the Selectmen concerning accepting them as Town roads. These inspections determined the need of criteria for road building. After two public hearings, the Planning Board adopted amendments to the subdivision regulations to provide comprehensive road specifications.

In addition to its regular meetings, the Planning Board members also attended the regular meetings of the Zoning Study Committee. During 1974, the proposed zoning ordinance was changed into a new and shorter format which it is believed easier to read yet is of sufficient strength to accomplish the control desired. A final draft was to be prepared as the year closed.

ROBERT CHAMBERLIN
Clerk

POLICE DEPARTMENT REPORT**YEAR ENDING DECEMBER 31, 1974**

This year has brought many new ways of combating crime and ways to help the people of Bristol and Police to have closer contact. This has been accomplished with new added radio equipment, and portables. Now when a person calls the Police phone they are in contact within seconds with the officer on duty.

The Highway Safety Program funded a Cadet Program for the Town of Bristol for a 10 week period. By having the Cadet to assist traffic in the square and routine police duties the everyday problems of the regular Police officer were eased.

Also the Police Department through Federal Funds has purchased a Breathalyzer and has a man certified to operate the new machine.

In 1974 the accident rate was down, the motor vehicle violations were down but the criminal rate was up.

The Department wishes to again thank the public for its cooperation in keeping Bristol a better place to live.

JOHN E. SMART, Chief

BRISTOL CONSERVATION COMMISSION

The Commission meets the second Tuesday of each month, September through May. It consists of seven members and one ex-officio planning board member. Our major function is to act as "watch dog" on the environment in this community and to protect the open and wet lands of the town.

During this past year we have accepted a scenic easement in the name of the town from Ralph T. Catterall. This preserves approximately 80 acres of land in its natural undeveloped state. We have made many field-trips in connection with dredge and fill permits. We are also still working on acquiring a green belt along the Newfound River.

A year ago we spearheaded a study committee to determine if there are ways that several recreation related agencies can co-operate to provide improved facilities and programs for Bristol residents and visitors. The result of this is in the form of an article in the warrant. This project was taken on by us as a direct result of land being given to the town and no proper authority to turn it over to for developing and managing.

ELEANOR CLARK, Chairman

BI-CENTENNIAL STEERING COMMITTEE

The Bi-Centennial Steering Committee for the Newfound Region, under the general sponsorship of the Chamber of Commerce, has held several meetings to determine how we will celebrate the 200th birthday of our country in 1975 - 76 and to see if the towns will act jointly in such activities.

Selectmen and heads of various organizations are being contacted for suggestions. A few already forwarded are Bi-Centennial silver and bronze coins, designed in a contest, town and house identification markers, an old-fashioned pageant, a drill and muster with uniforms, a theme parade with floats and street fair, an old time Town Meeting in the oldest town hall available, square dancing, and, possibly a box supper in each town. The possibilities are unending and should fit in comfortably with the state motto "Heritage, Festival and Horizon."

We are thinking now of an over-all budget of \$10,000 to be pro-rated in each town according to population, for example Bristol's share would be approximately \$4,340.00 to be raised over a 2 year period. Please contact your town representative with your suggestions and plans.

Coordinator - MR. LARRY DENTON
Alexandria - MRS. ROSALIE HALL
